SECRETARIAT
MAY 1918

Sir,

In reply to your letter No. J.4226 dated the 13th instant, re the probable amount that may be required in a year for getting the records in murder appeals printed in a private press, I am directed to state that taking into calculation the actual number of such appeals and the costs incurred by the Government in printing in the Government Press the records in those cases during the past three official years the average works up to 9 cases a year with Rs.324-9-4 as printing charges.

Besides the murder appeals records, bulky records in Government Appeals against orders of acquittals have also to be printed.

Taking these two categories of records into consideration I am to state that if a provision of Rs.400/- be made for the purpose for a year, it may be sufficient. At the end of the next official year the actual amount required will be reported to the Government.

I have the honor to be,
Sir,
Your most obedient servant,
